

Terms and Conditions

The CMdS NextGen Provider is a secure access system provided only for authorized use in support of the State Medicaid Program. Use of this system is subject to audit and monitoring, and users have no implicit or explicit expectation of privacy. State and federal statutes make it a crime to attempt and/or gain unauthorized access. Unauthorized use may be subject to criminal, civil, and/or administrative actions.

Authorized access to this system provides access to personally identifiable information (PII) and/or to protected health information (PHI) as defined, protected, and covered by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and to sensitive data protected by other state and federal regulations. Accordingly, authorized users are responsible for the protection and appropriate confidential use, disclosure and secure destruction of any data that is accessed and acquired from this system through use of their login credentials.

By selecting the check box , you confirm that you are an authorized user, that you agree to use the system for authorized purposes only, that you agree to abide by all applicable security, privacy, and use policies, and that you agree with the statements above.
